("Proton" or the "Company")

Investor Webinar

Proton Motor Power Systems plc (AIM: PPS), the designer, developer and producer of fuel cells and fuel cell electric hybrid systems with a zero carbon footprint, is pleased to announce that Manfred Limbrunner, Director of Governmental Affairs, Funding and Investor Communication, will provide a live investor webinar via the Investor Meet Company (IMC) platform, on Tuesday 20 June 2023 at 15.00 BST.

The presentation will provide an introduction to the Company, its products and markets and offer an opportunity for existing and potential investor to ask question and gain a better understanding of the investment case. Investors can sign up to Investor Meet Company for free and add to meet the Company via:

<https://www.investormeetcompany.com/proton-motor-power-systems-plc/register-investor>

Once registered, questions can be submitted in advance via the Investor Meet Company dashboard until the day before the meeting or at any time during the live presentation. While the Company will not be able to answer every question it receives, it will address the most prominent within the confines of information already disclosed to the market through regulatory notifications. Responses to the Q&A will be published at the earliest opportunity on the Investor Meet Company platform. Investor feedback can also be submitted directly to management post the event to ensure the Company can understand the views of all elements of its shareholder base.

About Proton Motor

Proton Motor has 25 years of experience in Power Solutions using CleanTech technologies such as hydrogen fuel cells, fuel cell and hybrid systems with a zero carbon footprint. Based in Puchheim near Munich, Proton Motor develops and produces standard Products as well as customised solutions. The focus of Proton Motor is on stationary solutions, as well as mobile, marine and rail applications. The product portfolio consists of base-fuel cell systems, standard complete, as well as customised systems. Proton Motor Fuel Cell GmbH is a wholly owned subsidiary of Proton Motor Power Systems plc. The Company has been quoted on the AIM market of the London Stock Exchange since October 2006 (code: PPS).

About Reach announcements

This is a Reach announcement. Reach is an investor communication service aimed at assisting listed and unlisted (including AIM quoted) companies to distribute media only / non-regulatory news releases into the public domain. Information required to be notified under the AIM Rules for Companies, Market Abuse Regulation or other regulation would be disseminated as an RNS regulatory announcement and not on Reach.

This information is provided by Reach, the non-regulatory press release distribution service of RNS, part of the London Stock Exchange. Terms and conditions relating to the use and distribution of this information may apply. For further information, please contact rns@lseg.com or visit www.rns.com.

RNS may use your IP address to confirm compliance with the terms and conditions, to analyse how you engage with the information contained in this communication, and to share such analysis on an anonymised basis with others as part of our commercial services. For further information about how RNS and the London Stock Exchange use the personal data you provide us, please see our [Privacy Policy](#).
